

Dear Patients of Preferred Dental Practice,

On behalf of the entire Preferred Dental team, we are reaching out to assure you that the safety and well-being of our patients and employees remain our highest priority.

We are closely monitoring the coronavirus (COVID-19) situation, including guidance from medical professionals, the Centers for Disease Control (CDC), the World Health Organization (WHO), and other health authorities.

At Preferred Dental, we want to assure you that our office has even further heightened our already extremely rigid sterilization safeguard standards such as to minimize the possibility of disease transmission to you, our valued patient, and our outstanding team.

Patients and employees who have symptoms of acute respiratory illness are recommended to stay home. We have suspended our late notice cancellation policies for now and there will be no penalties if you need to cancel due to illness.

We will continue monitoring coronavirus (COVID-19) updates and will respond based on the advice of public health authorities.

It is just one more way that we can show our care for you and everyone in our community. We very much look forward to seeing you, your family, and your friends very soon.

Sincerely,

The Doctors and Staff of Preferred Dental Practice
